# THANKS FOR PURCHASING THIS IPOD. WE PUT A LOT OF WORK INTO MAKING SURE IT WORKS RIGHT.

This is an official Geek Squad® Certified Refurbished Product. That means that this iPod has been thoroughly tested and inspected to confirm the following so you can confidently enjoy your iPod far into the future. (We know you will. Because we've been to the future and seen it.)

- Display is clear and readable
- Buttons work properly
- Navigation is smooth and responsive (i.e., touchscreen or clickwheel)
- Battery charges to full capacity
- Music and movies play properly
- Internet and Bluetooth connectivity function correctly (iPod Touch only)
- Accelerometer works properly (i.e., display orientation adjusts when rotated) (iPod touch, iPod nano Gen 6)
- External speaker functions properly (iPod touch Gen 2 and newer, iPod nano Gen 5)
- Camera functions properly (iPod touch Gen 4, video iPod nano Gen 5)
- Radio receiver functions properly (iPod nano Gen 5 and newer)
- iPod syncs properly to iTunes

## **WE HAVE ALSO ...**

- Cleaned and polished your iPod
- Replaced and/or restored defective parts
- Restored your iPod to factory settings
- Included new earbuds and tested the USB cable
- Recorded the serial number

Having passed these tests with flying colors, your iPod is now ready to rock. Or play whatever kind of music you love to listen to. Enjoy.
