THANKS FOR PURCHASING THIS IPAD. WE PUT A LOT OF WORK INTO MAKING SURE IT WORKS RIGHT.

This is an official Geek Squad® Certified Refurbished Product. That means that this iPad has been thoroughly tested and inspected to confirm the following so you can confidently enjoy it far into the future. (We know you will. Because we've been to the future and seen it.)

- Screen and Casing are inspected to be in excellent condition
- Screen is smooth and responsive
- All data has been removed and iPad has been restored to Factory Settings with latest available iOS
- iPad syncs to iTunes
- iPad has been thoroughly cleaned
- Recorded serial number

ALL THE FOLLOWING HAVE BEEN TESTED AND INSPECTED FOR FULL FUNCTIONALITY:

- Home, Power, Lock and Volume Buttons
- All media plays and / or displays properly
- Wi-Fi, Bluetooth and 3G connectivity
- Accelerometer
- Speaker
- Battery, USB Cable and 10W Power Adapter

Having passed these tests with flying colors, your iPad is now ready for you to enjoy. Power up and hold on with both hands.
